**"I've been a customer at the Williams Agency for a few years now. Great Place! Everyone is always friendly. When I needed life insurance Dan referred me to Jessica. With my first meeting I knew I would like her. She always has a big smile and always friendly, even when she is outside the office. Just a pleasure to know her. Would definitely refer her to everyone."**

**"We have been a customer with Williams Agency for about 7 years now. I have mostly worked with Patty. Something that really impressed me and I felt that she was "watching" out for us was that along the 7 years I have been with the agency, my car insurance did go up one year quite considerably. She actually called me and had other insurance carriers for me to pick from that were less expensive. When I was with other insurance companies, never did they call me and give me names of lower insurances. It was always I who had to call and ask for help. It was nice to see that Patty was actually watching out for us. Thanks!"**

**Mr. Williams,**  
I just had to tell you about my experience at your agency this week. I am so happy with your agency and especially with the service from your agent: Jacqueline Verboey. From the minute I put a quote request in the system to the second I signed the papers... and even after, she was nothing but professional, fast, and so friendly. I couldn't believe how quick she was with the turn around, and her knowledge is just unbelievable! You really have a keeper! She not only saved us tons of money, but got us better coverage did all the paperwork, called the bank about our escrow...basically she did all the hard stuff and all I had to do was be happy with the outcome! Honestly, I am highly impressed. I was so dedicated to my other insurance agent and I still can't say enough about them because they're good people. But I can say this... I am grateful to Jacqueline and to you for saving me so much and very happy to be associated with another great agency in Bradford, PA. Mr. Williams you should be so proud of the agency you have built! And the associates you have working for you! I will continue to spread the word about my wonderful experience. And hope others catch on too!  
Thanks! Have a great day!!!
